An in-depth understanding of the Bible is valuable for our Christian life! To gain this comprehension, Richland ARP invites you to our Spring Bible Conference with our returning lecturer, Shane Rosenthal.

Shane is a seminary trained Bible researcher who produces the content for *The Humble Skeptic* podcast. At his website, a variety of interviews, videos, and articles are posted in order to help believers better know and understand their Christian faith!

On March 27-29, Shane will be at Richland ARP to bring his expert investigative skills that will examine the opening prologues of both the books of Luke and Acts. As Shane has recently returned from Israel with first-hand accounts to share, he will provide key facts about Luke's intentions and associations for writing in the way he does. Luke's style in vocabulary is unique among the New Testament authors, come

learn why this is the case. The clues found in and outside the Bible is a satisfying adventure that will surely be appreciated by all who have an interest in the history of the early church.

DO NOT miss these presentations! Also be sure to invite your friends, as they will not only receive great instruction, but also the warm hospitality of our church. Be sure to send online invitations and event pages for those who will benefit from this series of presentations beginning on Friday evening and concluding after lunch on Saturday -- all in the Memorial Hall.

160th Homecoming!
Nov. 1, 2026!**

"Great Salvation Moments" is both a survey of the Scriptures and a detailed look at the who, what, when, where, why, and how of God's saving grace. That grace was established by covenant promises with the saints of Israel, a people set-apart for a unique role in the world... We are learning that God's salvation remains the same over all of time; but with new implications... Access past messages at our website, YouTube & FaceBook pages. Search: **Richland ARP Church**. [Please "subscribe" to receive notices of new presentations] **REMEMBER:** During our Sunday morning service, our Memorial Hall may be utilized as an "over-flow room."
